***Eurotherm / Action Instruments***

Signal Conditioners  
Limit Alarms  
Din Rail Isolators  
Loop Isolators  
Process Indicators and Controllers  
Data Acquisition

***Eurotherm/ Chessell***

Graphic paperless recorders  
Circular Chart Recorders  
Strip Charts  
Data Acquisition

***Hardy Weigh Systems***

Process Weight Controllers  
Load Cells  
Allen Bradley PLC Interfaces  
DeviceNet weight modules

***Hardy Vibration Systems***

Vibration Monitoring  
Vibration Portable Shaker Tables  
Vibration Switches  
Vibration Transmitters

***Hardy Tension Systems***

Tension Control Closed Loop  
Load Cells / Pneumatic Brakes  
PLC interfaces, Profibus  
Ethernet

***Weed Instrument***

Fiber Optic Converters  
Modems and Multiplexers  
PLC Interfaces  
Analog / Digital Links

***Nortech Engineering***

Industrial Computers  
Operator Workstations  
Touch Screen Monitors

***Process Sensors Corp.***

Moisture measurements and control  
Advanced Near Infrared (NIR) Technology  
Continuous on line, and lab

***Intempco***

Thermocouple and RTD  
Sanitary fittings,  
Humidity and Temperature Transmitters  
Level Sensors

Nuclear Approved Bargraphs

**Ohio Semitronics**

Frequency Transducers, Current Transducers  
Voltage Transducers, Watt /Var Transducers  
Multifunction meters, Current Transformers  
Hall Effect Transducers

**U-Meters**

Universal Power Meters, Energy and Power  
management analysis

**Noshok Instrumentation**

Pressure Transducer /Transmitters & Indicators  
Sanitary Pressure units, Manifold Valves

**Hayward Industrial Products**

Simplex and Duplex Strainers and Bag Filters  
Automatic Self Cleaning Filters  
Butterfly Valves and Ball Valves

**Precision Digital**

Process Indicators, Loop Powered Indicators  
8 Channel Scanners  
Annunciators

**T and D Corporation**

Wireless Temperature and Humidity  
Wireless Voltage and Event Dataloggers

**Wilcoxon**

Vibration Instrumentation  
Accelerometers  
Signal Conditioners and Cable

**We handle:**

**Temperature:** Indicators, Sensors, Transmitters, Recorders, Controllers, Data Collectors, Wireless Transmitters, Bargraphs and Indicators

**Pressure:** Indicators, Sensors, Transmitters, Recorders,

**Weight:** Controllers, PLC Interfaces, Load Cells, Platform Scales

**Vibration:** Accelerometers, Transmitters, Shaker Tables, Monitors, Switches

**Sensors:** Thermocouple, RTD, Sanitary Applications

**Fiber Optic:** PLC Interface, Transmitters/Converters

**Isolators:** DC/DC , Temperature, Frequency , AC/DC, Limit Alarms, Transmitters

**Recorders:** Graphic Paperless, Circular, Strip Chart

**Computers:** Industrial Computer, Touch Screens

**Watts/Var:** Transducers, Current Transformers, Split Core

**Wireless** Data Collectors Temperature Humidity

**Moisture** Non Contact (NIR) Measurement
